Greater Washington Hispanic Chamber of Commerce (GWHCC)

Founded in 1976, the Greater Washington Hispanic Chamber of Commerce (formerly the Ibero American Chamber) is a membership driven organization that supports the economic development of the Washington, DC metropolitan region by facilitating the success of Latino and other minority-owned businesses and the communities they serve through networking, advocacy, education, and access to capital.

The Chamber envisions building a stronger business network for the competitive future of the region.

ANNUAL MINORITY BUSINESS EXPO

The Minority Business Expo is a unique event emphasizing the important role of Hispanic entrepreneurs in the D.C. Metropolitan Area. The Business Expo launched in 2010, and has since increased from 70 exhibitors to 160, and from 500 attendees to 1,500 in 2017. The Expo is our premier event connecting Hispanic and other minority-owned businesses, as well as embassies and other countries.

ANNUAL GALA

The Annual Gala is one of our largest networking events and is celebrated by members, sponsors, partner organizations, and the community-at-large. This event highlights the immense influence of the Hispanic leaders and business owners of the area. In past years, GWHCC has honored Hispanic men and women working in medicine, IT, and construction, as well as other leaders from across the region.

HISPANIC HERITAGE CELEBRATION

The GWHCC celebrates Hispanic Heritage Month, inviting more than 200 elected officials and representatives from the local and federal government, non-profits, business owners, and embassies to celebrate the Hispanic culture and traditions, and honor a Hispanic Business owner or leader that supports the region's minority business community.

EMBASSY CELEBRATION DINNER SERIES

The Embassy Celebration Dinner Series, launched in 2008, is the Chamber's only private event. The Embassy Dinner celebrates Latin American leaders and organizations that are making a difference in commercial affairs and international trade in the Western Hemisphere. Special guests have included ambassadors from Latin America, representatives of the Hispanic Caucus from the U.S. Congress, and government officials. Every year the Chamber selects one Latin official to honor.

HOLIDAY RECEPTION

GWHCC celebrates members and sponsors with this very special reception at the end of each year. More than 200 members and friends of the Chamber get together for the opportunity to enjoy GWHCC's last networking event before the New Year.
